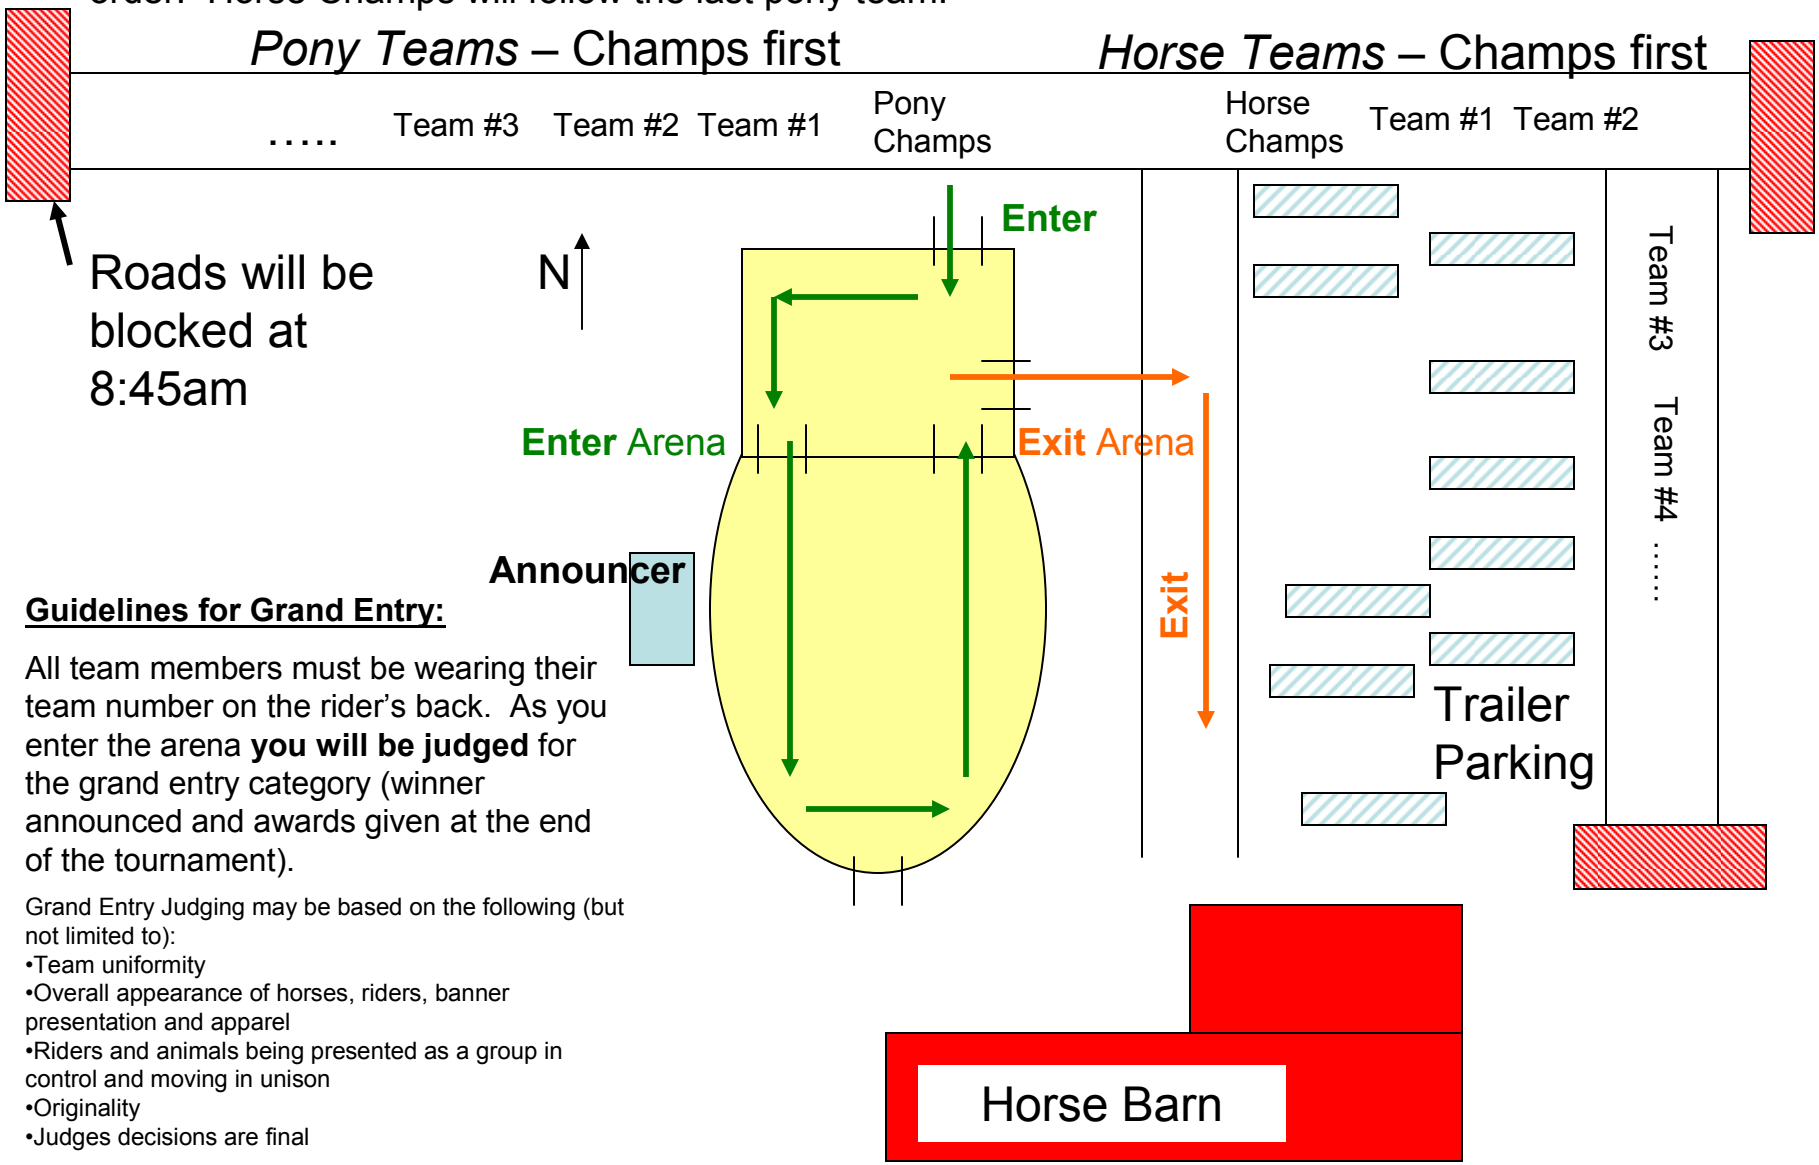
At **8:45am** all teams must be lined up on the road North of the make up arena. Horse teams line up on the east side of the road and Pony teams on the west.

The horse and pony team winning in the previous year will each enter first with the traveling plaque to present back to Noble County. All the pony teams will enter first, followed by the horse teams in numeric order. Horse Champs will follow the last pony team.



Guidelines for Grand Entry:

All team members must be wearing their team number on the rider's back. As you enter the arena **you will be judged** for the grand entry category (winner announced and awards given at the end of the tournament).

Grand Entry Judging may be based on the following (but not limited to):

- Team uniformity
- Overall appearance of horses, riders, banner presentation and apparel
- Riders and animals being presented as a group in control and moving in unison
- Originality
- Judges decisions are final
